Dear Community Member,

September 10 & 11 2016 Paradise Pow Wow will celebrate it's **20<sup>th</sup> anniversary!!** This years gathering will be held at Paradise Intermediate School 5657 Recreation Dr. Paradise, CA.

Roughly 100 attended the first Pow Wow in 1996. Since then the Pow Wow has grown to approximately 2,000 visitors . Keeping with our 20 year tradition, it continues to be **free to the public.**

**All proceeds benefit the Katie Marie Prosser Memorial Scholarship established to encourage Native Americans, who attend Butte College or California State University Chico, to pursue a career in the medical field.**

Katie a Fancy Shawl dancer active in local Native American events, was a founding member of the Paradise Pow Wow. Katie passed away August 2006, at the age 27, just weeks after dancing in the Paradise Pow Wow arena. She was pursuing a career in nursing. The Pow Wow committee established this scholarship in her honor.

The Paradise Pow Wow committee strives to educate the Non-Native community on Native culture and tradition through Drum, Song and Dance. Our Pow Wow is a fun and exciting time for the whole community, as we endeavor to keep Native American Traditions alive.

The Paradise Pow Wow consists of Native American displays, vendors, food booths, and activities.

**Approximately \$6,000 is needed to fund the event each year.** Any monetary donation to help cover the many expenses of providing this free community event is greatly appreciated.
